

Homesearch Login User Guide

A guide to logging into Homesearch from **Thursday 4th September 2025:**

To log in to Homesearch, you will first need to enter your login reference number. If you have forgotten your login reference number, select 'I have forgotten my login reference' link which you can select.

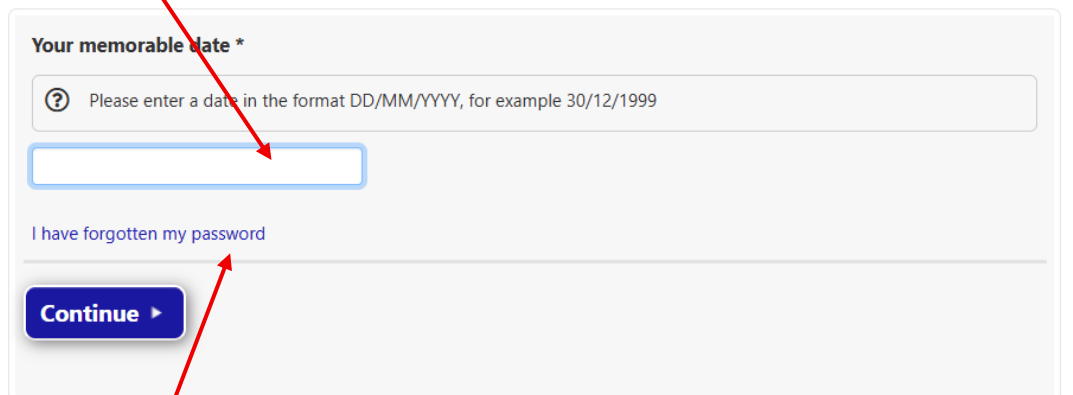

Login

The screenshot shows the 'Login' section of the Homesearch interface. It features a form with the label 'Your login reference *'. Below the label is a text input field containing the placeholder text 'login reference'. Underneath the input field is a blue link that reads 'I have forgotten my login reference'. At the bottom of the form is a blue button with the text 'Continue' and a right-pointing arrow. A red arrow from the text above points to the input field.

You will then need to enter your memorable date. You must enter this using the DD/MM/YYYY format as shown below. Please remember to enter a / between the numbers.

Login

The screenshot shows the 'Login' section of the Homesearch interface. It features a form with the label 'Your memorable date *'. Below the label is a text input field with a placeholder text that reads: '? Please enter a date in the format DD/MM/YYYY, for example 30/12/1999'. Underneath the input field is a blue link that reads 'I have forgotten my password'. At the bottom of the form is a blue button with the text 'Continue' and a right-pointing arrow. Two red arrows from the text above point to the input field and the 'I have forgotten my password' link.

If you have forgotten your memorable date, please select the 'I have forgotten my password' link which will then direct you to reset your memorable date using the email address which you have registered to your account.

You will then need to create a new password the first time you log in to Homesearch after 3rd September 2025. This password will be required each time you log in to Homesearch in addition to your login reference number and memorable date. It is therefore important that you remember this password.

Login

To ensure the security of your account, you must change your login details before you continue. Please enter a new memorable date and a new password. You cannot re use your current memorable date or date of birth.

Please enter a password that has at least 2 lower case letters, 2 Upper case letters and 2 numbers. Symbols and punctuation are not allowed. Your password must be minimum of 6 characters and a maximum of 10.

Enter your new password *

Enter your new password again *

Update details ▶

If you forget your password during subsequent login attempts, please select the 'I have forgotten my password' link which will then direct you to reset your password using the email address which you have registered to your account.
